GEORGE SANAET SANKUI *Cybersecurity Enthusiast*

sanaetofficial@gmail.com • +254 114487205 • Nairobi, Kenya • LinkedIn

🪪 Profile

Ambitious and adaptable leader with a background in software development and cybersecurity. I have led projects that improved IT performance in high-pressure environments and spearheaded community initiatives that drive social change. Known for resilience, teamwork, and a results-oriented mindset, I thrive in roles that demand responsibility, innovation, and measurable impact.

🎓 Education

09/2021 – 12/2025 Nairobi, Kenya	**Bsc. Software Development** *KCA University* (Completed coursework, awaiting graduation)
01/2017 – 12/2020 Gilgil, Nakuru	**Kenya Certificate of Secondary Education (KCSE)** *Koelel Secondary School*

💼 Professional Experience

04/2025 – Present
Nairobi

ICT Intern
The Nairobi Hospital
- **Led redesign** of the hospital's website using React & TypeScript, improving responsiveness and performance by **20%**.
- Co-designed a lightweight **internal ticketing system**, reducing IT issue resolution time by **55%**.

Previously supported IT operations at Kenya Ports Authority, contributing to 99.5% network uptime

🪪 Certificates

- IBM Cybersecurity Professional Certificate ↗
- Selected from 5,000+ applicants for Ajira Digital AWS Cloud Practitioner training (ongoing)

🏅 Leadership and Projects

Smart Campus (Attendance Monitoring System)
Spearheaded development of a secure QR-based system with anti-fraud measures, improving accountability in higher education.

Naret Olosho Community-Based Organization (CBO) — Volunteer Leader
Lead community initiatives promoting women's empowerment, supporting vulnerable groups, and engaging rural youth through education and advocacy.
